ROAD TOUR

2010 Census Road Tour is coming to Salamanca!

On Thursday, March 25th the Portrait of America Census Road Tour will visit the Seneca-Iroquois National Museum in Salamanca. On January 4th, the U.S. Census Bureau launched a road tour that will visit cities across New England and Upstate New York encouraging everyone to complete and return the census form when it arrives in March 2010. *The road tour features interactive kiosks where people can learn about how the census affects their communities. Census data influence how more than \$400 billion in federal funding is distributed.*

We're counting on you to join us at this special event in Salamanca. Please help us spread the word. We look forward to seeing you there!
